

Dear Valued Client,

I would like to introduce to you Spectrum 7, a trading company based in Dubai, UAE, and a part of Power Solution Industries Group.

Spectrum7 Trading has been henceforth assigned to be the exclusive sales channel for the **PSI products and services**, and it carries a wide range of well-known products that serve your project needs. The specialised team in Spectrum7 will provide you the high level of support to keep your projects working seamlessly.

It was established in 2010 for the purpose of serving the construction, infrastructure, Oil and Gas, and other specialized industries within the UAE and the GCC region. We seek to provide total electrical and mechanical solutions for the projects by offering quality ready or customized products from either our manufacturing sister companies or from regionally and internationally well-known brands. Our goal is to establish longer and closer working relationships with our clients and suppliers and to provide immediate and reliable services to continually exceed expectations and goals.

We at Spectrum 7 bring to your fingertips, the diverse experience of resources & supply management from the spectrum of 7 continents through its wide spread global network.
